I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I
OBJECT to the definition of "inordinate amount" which restricts the availability and
the right to obtain necessary compounded medications by limiting the number of
prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

Comments: I object to the definition of "inordinate amount"
for compounded prescriptions. I have taken a non-compounded
prescription for estrogen (made from horse urine) for years which
provided minute benefits and uncomfortable side effects. In
January I began taking the compounded prescription for estrogen
that was compounded specifically for me (not one size fits all)
and I have experienced remarkable results such as a boost in
